Sir:

Please find attached the following amendment to the specification. Applicants respectfully request this amendment to be entered, as Applicants believed that the amendment to the specification does not raise new issues of patentability and does not enter new matter, and further that the amendment would not involve materially added work on the part of the Office, as the editorial changes to the specification are minimal.

**Amendments to the specification begin on page 2 of this paper.**

**Remarks are on page 4 of this paper.**

**Appendix begins on page 5 of this paper.**
